Subd. 2. Designation approval. The statewide student association representing the community and technical colleges shall create an application process and an award, and provide final approval for the designation at each college. Designations shall last three academic years and be reviewed by the statewide student association for renewal.

Sec. 2. APPROPRIATION FOR HUNGER FREE CAMPUS GRANTS.

(a) \$77,000 in fiscal year 2020 and \$77,000 in fiscal year 2021 are appropriated from the general fund to the Office of Higher Education to provide grants for campuses to meet the criteria in Minnesota Statutes, section 136F.245, and to address food insecurity on campus. This is a onetime appropriation.

(b) Awards must be based on college head count for the most recently completed academic year. The maximum grant award shall be \$8,000.

A transfer may be made only with prior written notice to the chairs and ranking minority members of the senate and house of representatives committees with jurisdiction over higher education finance.

(e) The statewide student association representing the community and technical colleges shall develop an application, review all grant applications, and provide final approval of all grant disbursements from the Office of Higher Education.
